// Professional Experience

Web Designer

Maven Group | Bellevue, WA

2019 - present

- Built the brand and digital presence from the ground up, leading to the team's most successful year to date.
- Responsive web design and deployment increased contract wins, adding \$1.4M in additional sales.
- Deployed dozens of promotional websites, driving overall listing traffic and lead capture metrics.
- Integrated focused social media strategies, organically earning 10X more listing and brand exposure.

General Manager

Bose | Orange, CA => Bellevue, WA

2013 - 2019

- Recognized for excellence in leadership and relocated from Orange, CA to Bellevue, WA.
- Reformed a struggling store and delivered the highest performing team in the US in under one year.
- Awarded locally and nationally for achieving 140% sales growth year over year.
- Pioneered the company's B2C program, again with a \$0 budget, earning an additional 10% in revenue.

// Education

UW Coding Bootcamp

Remote | Seattle, WA

April - June 2022
